G.O. Ms. No. 49. Dated the 7th January 1948.

Read:-

From the Registrar of Co-operative Societies, letter No. 9304/47/V2 dated 21.8.1947.

Order:-

The Government consider that the Registrar's proposal submitted with his letter cited above is not imperatively urgent and that in view of the present financial stringency it may be deferred for consideration as a Part II Scheme for 1949-50. The Registrar of Co-operative Societies is accordingly requested to submit the proposa as a Part II Scheme for 1949-50.

(By Order of His Excellency the Governor).
